School Teachers, Trustees Hold Annual Dinner

Board Members Honored by Association; Three Contracts Announced For Local School District Department Positions

Annual Campbell Teachers Association-Board of Trustees dinner was held last night at the Little Village Inn, with 85 faculty members and trustees from the district elementary schools in attendance. The entire program was presented by the teachers. Trustees and their wives were guests of honor.

During the evening, District Superintendent William C. Henley announced that the board of trustees, at its last meeting, voted to offer contracts to Neal Royer to serve as vice-principal of Campbell Elementary School; to Marcus Swengel to serve as vice-principal of Moorpark Elementary school, and to Jack Barrett as full time instrumental music instructor for the three district schools. Barrett would work with department head Richard Gordon. David Sanders is the new maintenance foreman for the entire district.

HONOR GUESTS

Guests of honor were Mr. and Mrs. Ross Trowbridge, Mr. and Mrs. Walter Williams, Mr. and Mrs. Edwin Van der Mark, Mr. William C. Henley, Mr. and Mrs. Lee Anderson and Mr. and Mrs. E. L. Farnham were unable to attend.

Mr. Richard Gordon, president of the Association, was the master of ceremonies. After the dinner, the guests were entertained by a program prepared by Mrs. Ann Meridier, chairman of the program committee. The program was as follows: "Carolina," "Dry Bones," "Wanting You" and "The Interrupted Serenade," sung by the teachers' chorus under direction of Mr. Gordon; "Happy Birthday," sung in honor of Mrs. Dorothy Royce, principal of Campbell Elementary School; parody on "Dearie," written by Annabelle Madison and sung by Ruth Stuart and Patricia Freeman.

A comic skit, "A School Day in the Life of Little Nell," written by Barbara Aten, Virginia Canale, Ann Meridier and Aline Seese, Calvin Roll was the commentator. Those in the cast were Ellen Ingram, Bill Shuey, Marcus Swengel, Loyce Swengel, Margaret Enos, Calvin Roll, Virginia Canale, Ann Meridier, LaVonne Corbin Hilscher, Carolyn Coons, Beverly Burroughs and Eleanor Berg. Orchestra selections, played by the Teacher's Orchestra under the direction of Jack Barrett, included "Tea for Two," "Love Nest," "All the Bees are Buzzin' Round My Honey."

Campbell Voters To Choose Two School Trustees

Voters living within the Campbell Union Elementary School District are entitled to vote for two school trustees at an election to be held today, May 19, from 7 a.m. to 7 p.m.

Residents of Precinct No. 1, including Campbell general election precincts numbered from 1 to 10 and Gardner general election precinct No. 2, will vote at the Campbell Union Grammar School, 11 E. Campbell Avenue.

Precinct No. 2 residents, including Hamilton, Maypark, Moreland, and Burbank general election precincts will vote at the Glaze Hardware Company, 536 South San Jose-Los Gatos Road, San Jose.

Polling place for residents of Precinct No. 3, including the San Tomas and Vineland general election precincts, will be the San Tomas School, corner of Allendale and Abbott Avenues, Campbell.

According to the Santa Clara County Counsel, residents of Bradley Manor area No. 1, the area on which action is pending on its annexation to the city of San Jose, are advised not to vote at this school trustees' election.

Grand Master Slates Visit To Campbell Lodge

Morning Light Lodge 42, IOOF, of Campbell, will be honored by an official visit from Ross R. Rittenhouse, Grand Master of the Grand Lodge of California, IOOF, on Thursday, June 1. All district noble and vice grands and their lodges are invited to be present on that occasion.

Morning Light Lodge will confer the initiatory degree on a class of candidates during the evening. An address will be made by the new grand master and all IOOF members are urged to attend.

Refreshments will be served after the meeting.

Netops Council Holds Meeting

The regular business meeting of Netops Council was held Friday, May 12, in the IOOF Hall with Pocahontas Alma Fanning presiding.

Great First Runner Sharon Parker trailed to Menequa Council 38 for a meeting in honor of Past Great Pocahontas Hazel Shireman the same evening.

At the meeting a final drill team and escort team practice was held in preparation for the visit of Great First Runner Sharon Parker, representing the Great Pocahontas Mary D. Hamilton.

The next meeting was announced as scheduled for Friday, May 26 at which time officers will be nominated. It was also announced that the Past Pocahontas are in charge of the social hours at coming meetings. Past Pocahontas are Bertha Hindle, Edith Anderson, Veda Falden, Irene Hodges, Ruth Livingston, Margaret Benton, and Vivian Johnson.

The Sequoia Sewing Circle of Netops Council met Wednesday, May 17, at the home of Ester Ialco, 2256 Pioneer Avenue.

Cambrian Residents Voting Today On \$42,000 School Bond Issue Proposal

Five hundred and seventy-five children are making do with equipment purchased originally for 150 pupils at Cambrian school. This doubling up has prompted school district officials to move toward obtaining state aid for enlargement of the school facilities.

In order to obtain this aid, the Cambrian district must first achieve a legal maximum of bonded indebtedness; thus, the \$42,000 bond issue on which Cambrian residents are voting today. Polls are open from 3 to 7 p.m. at the school.

Bonds would be retired over a 21-year period. Cost to the taxpayer would be small, since only two bonds of \$1000 each would be retired each year. This amount would be spread over the entire district's assessed valuation.

Bond funds would be used for purchase of school and cafeteria furniture and equipment, playground equipment, bus garage and architect's fees for preparation of a master plan.

New subdivisions in the Cambrian area are expected to increase the school's enrollment to 938 by October, 1951, and state aid will be required to enable the school to provide for these additional pupils.

Kathleen Barnes Arrived Today

It's a girl for Mr. and Mrs. Eugene W. Barnes of 50 Giles Way. She weighed in at 8 pounds. Mr. Barnes is co-publisher of the Campbell Press. The Barneses have two other children, Virginia, 5, and Richard, 2. Mother and daughter are reported doing well. Father is making out "just passably."

Attorney Walsh Explains Work Of Justice Court

"There are 768 courts in this state with jurisdiction below that of the superior court," Attorney Martin S. Walsh stated this week in explaining work of the Justice Court. Walsh is a candidate for the Campbell court judgeship.

"Chief Justice Phil S. Gibson of the Supreme Court of California has said, 'The average citizen comes in contact with these lower courts more often than with any other court, and it is only reasonable to assume that he forms a good part of his opinions of our law, our legal system, and our judiciary from the contact. Whatever he sees there of injustice, incompetency or inefficiency instills in him disregard for the law and all our courts. Whatever he sees of the competent impartial administration of justice inspires him with respect for, and pride in, the law and the judiciary.'"

"The jurisdiction of a justice's court is considerably more than passing judgment on a traffic violation. The Campbell Township justice's court is limited to a jurisdiction of \$300 in all cases at law involving demand or where the value of the property in controversy does not exceed \$300. The court has jurisdiction in cases involving forcible entry, or forcible or unlawful detainer where the rental value is \$75 or less per month. The court also has jurisdiction to foreclose liens on personal property where the amount of such liens is \$300 or less. Receivers may be appointed by the court in certain cases.

"The court has a wide jurisdiction in all criminal cases amounting to misdemeanor only, punishable by a fine not exceeding \$1000, or imprisonment not exceeding six months. The small claims court is a branch of the justice's court in cases for the recovery of money only where the amount claimed does not exceed \$100.

"Since 1933 no person other than an attorney at law may practice law in a justice's court."

Local VFW Post Now Authorized

Full authorization and a charter number made the inception of a local Veterans of Foreign Wars post official at the last meeting, Friday, May 12. The Campbell post will be known as 6503 and will meet again tonight in the library clubroom.

Now that the organization is authorized for activity, a concentrated membership drive will begin and all overseas veterans will be urged to consider affiliation with the group. Remaining subject to change for 90 days, the group's charter will be open to new members within this period who will contribute toward the formation of policy and activity.

Several names have been suggested for the organization, but action is awaiting a more representative number to choose a title.

Tonight's meeting is open to any interested veteran, and members of his immediate family. There is no obligation entailed in attending a meeting, according to a post official.

Dr. Earl Crandall Praises Schools For Career Teaching

Dr. Earl Crandall, head of the curriculum department of the San Jose Unified School District, spoke to Campbell Rotarians Monday noon on "Life Adjustment Education." He was introduced by Attorney Norman Stoner, chairman of the day. A special guest was Laurence J. Hill, Campbell High School district superintendent. President Forrest Reese presided at the meeting for the first time since his recent illness.

Dr. Crandall said the purpose of education is to equip youth to live democratically. Desirable behavior is the end sought rather than simply retention of the subject matter presented. In discussing efforts of the schools to prepare the students for careers, Dr. Crandall said that 50 percent of the students who enter high school in this country drop out before graduation. California's record is considerably better, he pointed out, since 90 percent of the students complete their high school education. Characteristics exhibited by those who drop are lack of interest in school work and poor attendance plus other qualities.

Forty-three percent of the high school pupils desire professional careers when there is room, actually for only five to seven percent, said Crandall. He complimented the schools for their good work in preparing youngsters for professional and trained business occupations.

Speedway Races Ladies' Night

It will be "Ladies' Night" at Friday's roadster racing program at the San Jose Speedway, promoters Ray Leon and Joe Maserini have announced.

Women will be admitted free on payment of federal amusement tax.

Favorites in the hot rod show will be Bob Gonzales, current point leader of the Racing Roadsters Inc., and Butler Rugaard, winner of the main event last week.

Qualifying trials start at 7:00 p.m., the first event at 8:15. Nine events are billed.

CAMPBELL NETMEN LEAGUE CHAMPS IN LOS GATOS WIN

Campbell High School's undefeated tennis team downed Los Gatos yesterday to become the valley league tennis champs for the first time since the war. The Campbell netmen won their entire five-game league card. Altogether the team played 15 matches this year, dropping two practice games to Palo Alto and the San Jose State frosh.

Team members are Tom Barton, Trent Barton, Dave Baxter, Bill Cockey, Kirby Campbell, Dudley Herschbach, Dick Kaufman, Bryan Lambert, Ray Mason, Olin Shanrock, Jim Sheppardson, Gill Shaper, Harold Shumway, Harold Taylor, Minoru Yamate and Earl Garthwaite, manager. Harold Drummond is the tennis instructor.

Colored Slides of Desert Scenes Shown By Hydes

Colored slides of desert scenes in southern California were shown at the Campbell Kiwanis luncheon meeting Tuesday noon. Mr. and Mrs. Ralph Hyde exhibited the pictures of favorite points visited on their trip to Palm Springs and Indio last February. These included shots of date orchards, desert flowers and desert scenery. The Hyde's trip included a side jaunt into old Mexico at Mexicali.

During the meeting, Charles S. Gubser, candidate for assemblyman from the 29th district, was introduced by Herbert M. Shadle. Gubser, a Republican farmer from Gilroy, has cross-filed on both Republican and Democratic tickets. He has been active in farm bureau work. Gubser, who was introduced to various business and civic leaders after the meeting, said that as a farmer his primary interest is water. "The State Division of Water Resources recently completed a report on sources of water for Santa Clara County," he stated. "The survey cost \$44,000 and gives the facts, figures and recommendations for obtaining water in the county. Why not wait and see what this report offers, before using any single water resource plan," he urged.

Visitors at the Kiwanis meeting were John E. Van Cleet, past Lt. Governor of Kiwanis in Bellingham, Washington, who has a 33-year perfect attendance record; Archie Keesling, Honolulu; William McLaughlin, Herb Anderson, and Cecil Hardesty, all of San Jose, and Bryan Bonnington of San Francisco.

Perfect attendance awards were presented to Joseph V. Gomes, seven years; Howard Payne, three years, and C. N. McCoy, one year.

Next week's program will consist of a concert by the Campbell Union High School band.

Ada Rebekahs Host IOOF Lodge

Ada Rebekah Lodge held a potluck supper Tuesday evening at the Campbell IOOF Hall. Old Fellows were guests for the evening. Myra Payne and her committee had charge of arrangements for the supper.

Immediately after supper a film, "Egypt, the Eternal," was shown by a representative of the Rosicrucian order.

ASSEMBLY

Noble Grand Naomi Farley presided at the regular business meeting which began at 8:30 p.m. Delegates to the 60th Rebekah Assembly held recently in Long Beach gave reports on the activities. Twenty-one past presidents were honored at the convention, and 55 delegates from the Campbell district enjoyed a luncheon during the session. Outgoing district deputy Henrietta Marcotte presented the new district deputy Hazel Thomsen with a gift from the district delegates. Ruth I. Akers was elected president of the assembly for the new year. Next year's assembly will be held in Santa Cruz.

Ada Rebekahs will conduct their officer election at the next meeting.

Voters Approve High School Bonds By 5-1 Majority; Architect To Be Hired To Prepare Building Plans

By a ratio of more than 5 to 1, Campbell voters gave their approval to the \$950,000 Campbell High School District bond issue at Tuesday's special election. Student body officers, the board of trustees and Superintendent Laurence J. Hill responded to the overwhelming support by issuing their thanks to the voters and promising full, careful use of the amount voted. The vote was 2820 for and 440 against the bond issue.

School Trustees on Conference Panel

Raymond E. Bishop, G. K. Schrader and Joseph V. Gomes of the Campbell High School board of trustees will participate in a panel discussion this evening on school plant planning being conducted today and tomorrow at Stanford University.

Subject of the panel will be "Cooperative Planning for School Buildings." Approximately 400 school administrators, board members, architects and teachers are attending the conference which is designed to give school leaders involved in the state's huge school building program information on financing, master planning, lighting, classroom use and remodeling.

Frank Pierson Elected Head Of Campbell Jaycees

Frank Pierson was elected president of the Campbell Junior Chamber of Commerce Wednesday night. The Jaycees held their election during a barbecue supper at the Charles Livingston home on Harrison Avenue.

Others elected were Ray Harris, vice-president; Dick Lazzarini, treasurer; Don Gracier, secretary; Kenneth Roberts and Dick Gray, directors, and William Halls, alternate.

Outgoing officers are: Roberts, president; Halls, treasurer, and Monte Koch, secretary. The Jaycees Trade in Campbell Slogan contest will close May 27 at midnight. In addition to the main award of \$25, good in any Campbell store, Accardi's has added another special item. If the winner agrees to spend his \$25 at Accardi's the latter will add a second \$25.

Scout Troop Given Troop Flag By Service Club

The Boy Scout Troop of the Methodist Church was presented with a troop flag by the Campbell Women's Service Club, and an American flag by the troop committee. Mrs. R. J. Flagg, the president of the Women's Service Club, made the presentation at a recent "Parents Night" program of the troop. Mr. George Larson, the chairman of the troop committee, presented the American flag on behalf of the committee.

On Mother's Day the troop placed large baskets of red roses in the church for the special Mother's Day services. Mr. Earl Buck is the scoutmaster, and in charge of the activities of the troop.

Legion Hall Plans To Be Revealed At Joint Meeting

Members of the building committee for the proposed Campbell American Legion will report on details of their work at a joint meeting of Post 596 and the Auxiliary at the IOOF hall.

"We are getting ready to spend the \$2,000," stated Mrs. S. N. Hedegard, "and details will be revealed at the meeting." Everyone is urged to attend.

A 6:30 p.m. potluck supper will precede the meeting. Those unable to attend the supper are requested to be on hand for the meeting which will begin at 8 p.m. Guests from various district posts will be present.

Votes in the Bradley Manor district will be kept separate in the event a pending court ruling should place the area in the San Jose Unified School District, but the heavy balance of votes in favor of the bond issue throughout the balance of the high school district will be more than enough to carry the issue.

Hill announced that planning of the proposed new buildings will begin at once. A complete set of plans will be developed and submitted to the State Department of Education and the local school board for approval. Preparation of these plans will entail a very exacting and complete study of the needs of the district to make sure that fullest use of the money is made.

School officials avoided extra cost to the taxpayers by waiting until after the election to hire an architect and prepare detailed plans. Prior to the election an analysis of the needs of the school, showing definite requirements, was prepared. Development of detailed building plans will require considerable time, since such factors as lighting, acoustics, placement of classrooms and most workable location of buildings must be considered.

School board, architect and the administration will work closely together from here on for sound, functional planning. Hill indicated that the exact date when actual construction will begin is difficult to determine, but he estimated the work would start in about 18 months. "It depends upon how soon the plans can be prepared and state approval can be obtained." In an undertaking of this size, where so much money is to be spent, it is impossible to do it on a sound basis in less than a year. Detailed working plans will require at least 12 months.

Selection of the new school site will be up to the school board. It probably will be located in the southern quarter of the district, depending on the density of population in the high school district other than in the immediate vicinity of the present high school plant. Selection will be based on greatest pupil density and availability of suitable sites. Thirty to 40 acres will be needed.

The bond issue covers fullest development of the present high school site, but it does not provide for new buildings on the second site.

Hill commented that the size of the vote and the overwhelming approval indicate that the voters intend to maintain the high standards established at Campbell High School.

Breakdown of the vote by polling place was: Cambrian School, 235 yes, 41 no; Union School, 179 yes, 28 no; Moorpark School, 155 yes, 31 no; Moreland School, 175 yes, 18 no; San Tomas School, 425 yes, 58 no; Burbank School, 351 yes, 67 no; Campbell School, 800 yes, 197 no.

Methodist Church Baptismal Service This Sunday

"The Three R's of Christian Faith" is the sermon topic for the Sunday morning worship service of the Methodist Church. There will be a baptismal service and a reception of new members into the fellowship of the church. Mrs. Earl Buck will sing the special solo, "Sanctus," with the anthem solo being sung by Mrs. Jack Chappell.

In the evening, a special youth rally will be held in the social hall of the church, with all the high school and 8th grade youth and parents. Plans for summer rallies and camps will be discussed. All persons interested in the youth program are invited to attend this important rally.

An afternoon meeting will be held in the near future at which time election of officers for next term will be held.

Musical Program Presented For Moorpark PTA

A talk on music instruction at Moorpark School by Dick Gordon, music director of the Campbell Elementary schools, and a demonstration by two groups of musicians in the school, were featured at the May meeting of the Moorpark Parent-Teacher Association.

A string ensemble composed of children who have had less than three months training performed under Mr. Gordon's direction. Gordon then introduced Jack Barrett, who has charge of the music instruction at Moorpark school. The orchestra played several numbers under Barrett's leadership. Barrett also presented a trumpet trio and Mary Munson, trumpet soloist.

Gordon announced that Jack Barrett would be a full time music instructor in the Campbell schools next year, assisting Gordon and supervising the bands and wind instruments. He also explained that students must maintain a high scholastic average to qualify for special music instruction in the schools.

The Campbell High School bond election was the subject of a talk by Laurence J. Hill, Campbell High School principal.

During the short business meeting that followed, the president, Mrs. Howard Womer thanked the unit for sending her as a delegate to the State convention and announced that she would report on the convention at the June meeting. The June meeting will be a box luncheon, place to be announced later.

Refreshments were served.

Garden Club Fall Flower Show Plans Discussed

Campbell Garden Club held a roundtable discussion Wednesday on its recent Spring Flower Show, and many ideas were presented to Mrs. Felix Bersano and Mrs. Mitchell Lobrovitch, co-chairman for the Fall Flower Show to be held in November. Portrait of an electrical appliance—King Size!

New Rock Creek hydroelectric plant, on Feather River!

This is just as much an electrical appliance as your toaster. We plugged it into the Feather River just two months ago. Instead of making toast, this modern hydroelectric plant keeps busy turning out 169,000 horsepower. That's enough to run all the toasters, and everything else powered by electricity, in the combined cities of Berkeley, San Jose, San Leandro, Fresno and Redding!

This is the 7th giant electric power plant built by P. G. & E. since V-J Day—to bring you vastly increased power—1,156,400 horsepower of new installed capacity—to help you run your household, do your chores.

P. G. and E. service does so much ... costs so little

As the West grows, as new homes, farms and factories come to Northern California, P. G. and E.'s resources grow, too. By next summer, for example, we will have an additional 670,000 horsepower ready to go to work.

For the record

Everything gas and electricity do to make your living easier costs less in California. Even heavy farm chores are cheaper here when electricity takes over. P. G. and E. rates are among the lowest in the U. S.

O. N. Timmons Leases Restaurant From Guardino

O. N. Timmons, 1060 Juanita Way, Campbell, has leased the former Buccanner Steak House property at 7 S. Winchester Road from owner Joseph Guardino of San Jose.

Timmons, who plans to open a coffee shop at the location, said some remodeling work will be done before the new establishment opens in about three weeks. The coffee shop will feature short orders and fountain service.

Dinner Meeting Will Feature Talk By Louise Tordt

A dinner meeting will be held for members of the Campbell Business and Professional Women's Club Wednesday, May 24, at 6:30 o'clock in the social hall of the Congregational Church.

Mrs. Louise Tordt, publicity chairman of the group, is in charge of the program and will talk on interesting phases of newspaper work.

Also on the agenda of club activities was Mrs. Henry Stoner leading a group of 18 members to Palo Alto Veterans' Hospital to provide an evening's entertainment for some 100 patients. Mrs. Stoner is Camp and Hospital chairman for the group. She was assisted in the program by Stella Baumgartner and Gloria Kenney of Campbell, Barbara Mott of Palo Alto and Frances Moore of San Jose.

Mrs. Stoner announces an urgent need for luggage for veterans at the hospital. Anyone having unused luggage in their home will find it put to use by contacting Mrs. Stoner at Campbell 2369 or by delivering it to 12 South Second Street.

UC Representative To Speak Before Campbell Club

The Campbell branch of the California Extension Service will hear a talk by Miss Ruby Harris of the University of California Agricultural Extension Service when they meet in the parish house of the Methodist Church Monday, May 22, at 2 o'clock.

"Child Guidance" will be the subject of Miss Harris's talk and will be open to discussion from those present. The group intends to organize its program for the coming year to provide meeting dates at which Miss Harris will give further talks.

After the program, tea will be served by Mrs. H. C. Gilbert and Mrs. Z. Hallett.

Mrs. Ray Prince Talks On Gardens Around The World

A floral setting created the proper atmospheric note when Mrs. Ray Prince spoke on "Beauty in the Garden" to members of the Campbell Country Woman's Club Monday, May 15, in the library clubrooms.

Under the guidance of Mrs. Monica Parr, flower arrangements graced the room. A basket of roses were on the piano, tall spires of blue delphinium and a yellow rose arrangement decorated the mantelpiece, and coral lupine were on the president's table.

Mrs. Prince illustrated her talk with pictures of famous gardens throughout the world.

Club members also heard Mrs. Bernard Clark play piano selections, "May Night," "Le Plus Que Lente" and "Minstrels."

Assisting Mrs. Parr in arrangements were Mesdames Raymond Davis, Martin Walsh, Earl Grip-entrav, R. L. Nelson, A. W. Johnson, Laura Page, Norman Houge, and Norma La Veque.

Cambrian Club To Stage Style Show At School

With local women and children modeling clothing from Rachel's and Helen's Juvenile Shop, the Cambrian Home and School Club will present a fashion show at 1:30 o'clock Friday, June 2 at the Cambrian School auditorium.

All types of clothing will be presented against a background of Spring decorations. Children's clothes modeled by youngsters of pre-school age through elementary school age will also be shown.

Adult models will be Mrs. Barbara Coombs, Mrs. Amye Roberts, Mrs. Genevieve Helmbold, Mrs. Norman La Veque, and Mrs. Carance Neiland. Children modeling will be Patty Boon, Virginia Rhodes, Delores Gomes, Barbara Cox, Lynn Levenberg, Pamela O'Neill, Nancy Cornish, Phyllis Davidson, Wallis Wardell, Anthony George, and Dennis Petrea.

Cambrian Home and School Club members in charge of the arrangements are the following: Mrs. George Petrea, chairman; Mrs. Frank Coombs, hostess; Mrs. Bud Fossum and Mrs. Robert Tonkin, tea servers; Mrs. Art Delamore, publicity; Mrs. Fred O'Neil, tickets; and Mrs. Roy Stoner and Mrs. Ben Hatten, decorations.

Tickets are on sale for 50c. Child care and refreshments will be provided.

San Tomas PTA Hears Plans For School Carnival

Final meeting of the 1949-50 term was held by the San Tomas Parent-Teacher Association at the school auditorium this week. Mr. Richard Gordon, head of the orchestra department at Campbell Elementary School, led a group of the students in two orchestral numbers. Kay Moore and True Lawson played two violin duets accompanied by Mr. Gordon at the piano.

"Summer Recreation Program for the Children" was the topic of the discussion which followed the business meeting. Mrs. Raymond Martin, president, introduced Mrs. Chris Miller who, in turn, presented Miss Margaret Enas who will be in charge of the program for the summer. Mrs. James Morrison, recently appointed recreation chairman of the Sixth PTA District, and Mrs. David Nesbit assisted in the discussion. Many in-

teresting projects are being planned to offer the children a safer and happier summer. Volunteer help is a prime need to make the summer recreation program a success.

William A. Shuey Jr., school principal, presented plans for the Carnival and Color and Fair to be held Saturday, June 3, at San Tomas School. The fair will begin at 1 p.m., and a full program of fun and surprises is planned. There will be displays of children's work, hobbies for adults, and carnival booths. The PTA will have a food booth and will serve a complete meal at a minimum price.

A special meeting has been announced for next Monday, May 22, at the Methodist Church parish house in Campbell. Miss Ruby Harris of the University of California will speak on "Child Guidance." The public is invited.

7 reasons why you'll enjoy S. P. trains

Economy Chair cars and coaches on Southern Pacific trains take you there cheaper than you can drive. Rates are only slightly higher than the lowest cost transportation.

Speed Chair cars and coaches on S. P. trains provide the fastest low-cost transportation available.

Convenience Eat on the train, read your favorite magazine, play cards or plan your next day's business meeting.

Safety Travel with confidence. Weather makes no difference to the railroad. Sun, fog, wind or rain, you'll be safe with Southern Pacific. Steel rails are the safest highway ever built.

Comfort You can stretch, walk around, visit the dining car or take a nap. Long-distance trains are air-conditioned, too.

Relaxation Let the engineer do the driving. You arrive fresh and rested.

Luxury Think of Southern Pacific in terms of luxury travel, too. Here are some of the fine trains that are at your service:

Streamliner City of San Francisco and San Francisco Overland to Chicago; the Daylights between Los Angeles and San Francisco-Oakland-Sacramento; the new Shasta Daylight between San Francisco and Portland; the streamlined Golden State to Chicago via Los Angeles; and the Sunset Limited to New Orleans through the Old South.

Ask Southern Pacific for details about our trains and services. We'll be glad to help you plan your trip.

Planning Commission Decides On Campbell Zoning, Construction Items

Application of Mary Mauskow to construct a second dwelling on her property at the southwest corner of Arletta and Basile Avenues, was denied by the County Planning Commission Wednesday. Commissioners held that an additional dwelling would constitute overcrowding of the property.

A five-year non-renewable permit was granted Dan Caputo to maintain a contractor's storage yard on the now unused County Humane Society animal shelter property, on the south side of Stevens Creek Road. Use of the property for residential use at this time is out of the question since carcasses of dogs and cats have been buried on the property. In five years time the carcasses should be absorbed. The property will be placed in sanitary condition again, and probably will be subdivided by Caputo and Dorcich.

Frank Ploia's petition for an R-4 zoning at the easterly side of Bellerose Drive between Stevens Creek Road and Bailey Avenue, was modified to an R-2-H duplex zone. The section would serve as a buffer between the commercial and single family zones on either side of the property. The Planning Commission would have architectural supervision of the duplex zone.

Paul A. Bailey's petition for rezoning was denied by the board. Originally the property on the south side of Stevens Creek Road, 245 feet east of Baywood Avenue, was slated as the site for a San Jose Eagles Lodge recreation center, but the lodge option on the property reportedly had expired prior to the hearing Wednesday, and the plan scrapped.

an official plan line on Santa Clara-Los Gatos Highway, between Latimer Avenue and Hacienda Drive. This was the first public hearing. Purpose of the proposal is to protect the highway for future widening. Second hearing will be June 7.

Resolution of intention was filed by Frank and Sophie Lucas to reclassify property on the south side of Campbell Avenue between North Union Avenue and Los Gatos Creek from an R-7-B-D zone to R-4 and C-2 commercial. Two hearings will be conducted on the petition, the first on June 7.

Rose E. Hanger's petition for C-1 zoning was granted for her property between North Union Avenue and San Jose-Los Gatos Road, opposite Cambrian Drive. She was requested to leave a 75-foot residential lot on the property fronting on Union Avenue. Commission approval is required on architectural plans.

Also approved was Mrs. Dee Dobbs' request for a use permit to construct and maintain a convalescent home on the west side of San Jose-Los Gatos Road between Dry Creek Road and Elden Drive.

Commissioners approved Louis Dorcich request to build a three-office professional building on the east side of Bascom Avenue between Olive Avenue and Stevens Creek Road.

SOFTBALL LEAGUE ENDS FIRST WEEK

Campbell's softball league completed its first week of play tonight when Bettencourt's takes on the Farmer's Union and Davenport Electric and Moders' Market vie for a win. The presses will beat the outcome of the game, however, and tonight's results will be in next week's paper.

Results of other games this week are: Monday, VFW, 5, and Campbell Hardware, 6; Monday, Purple Knights, 3, and Mac's Market, 2; Tuesday, Junior Jaycees, 1, and Odd Fellows, 29; Tuesday, Leon Terry, 13, and Saratoga Merchants 1; Wednesday, Netops, 2, and Elitos Girls' Team, 4; Thursday, Jeffers, 4, and Legion, 7; Thursday, 7:30 Club, 1, and 5 Spot, 13.

Fair Committee Asks Help From Local Merchants

In preparation for the annual carnival and fair to be held Saturday, June 3, at the San Tomas School, the San Tomas Carnival Committee, under the chairmanship of Phil Lucas, is requesting the cooperation of local business firms by asking them to contribute to a prize pool.

Drawings for prizes will be held every hour from 6 p.m. to 10 p.m. All firms who donate merchandise will receive credit over the loudspeaker on the carnival grounds and in the columns of the Campbell Press, according to Mr. Lucas. Funds secured from the drawings will be used for the growing youth group at the school. Mr. Lucas emphasizes the importance of supporting such a project.

CAMPBELL SCHOOL ORCHESTRA GAINS 'SUPERIOR' RATING

Campbell Grammar School's student orchestra drew top honors, a rating of "superior," when they joined with grammar school students from throughout California in the annual Spring Music Festival held at San Jose State College Friday and Saturday, May 5 and 6. Instructor Richard Gordon is director of the group.

Soloists Lynne Schaper, playing "Andalouse" on the flute, and Bill Kaufmann, playing "Allegro Spirito" on the bassoon, won superior ratings. Dwight Klassen, playing a trombone solo, "Ah, Sweet Mystery of Life," won a rating of excellent.

Orchestra selections were a "March" by Brockton, "Oracle," by Taylor, "Slavonic Dance,"

Wrigley Company Agent Visited Local Property

Wrigley chewing gum company agents investigated property in the Campbell area recently while looking for a suitable Bay Area site for a proposed west coast plant.

Agents representing the company looked at the orchard acreage of Joseph Doetsch on Santa Clara-Los Gatos Road. Doetsch reported the men took pictures of the land, and said the company was seeking five or ten acres with an adjacent railroad spur and adequate water supply. Doetsch has a 52-acre orchard on the east side of the railroad line connecting San Jose and Mayfield. According to the rancher, the agents stated the plant would employ about 200 persons.

Some 26 sites were reportedly studied by the Wrigley company in its survey. Doetsch said he had no further communication from the agents or the company.

New Manager Of Meat Market

Harold A. Scott took over Wednesday as new manager of the Campbell Meat Market, 262 E. Campbell Avenue. Mr. Scott has lived in Santa Clara Valley for ten years.

He and his family came to California from Kansas City, Missouri, due to his daughter's health. After living in several southern California communities, he found that the farther north they came the better the climate agreed with his daughter. They settled in Santa Clara Valley and found the climate ideal, then decided to make their permanent home here.

Mr. Scott has been in the meat business for 27 years—wholesale

eight years and retail 19 years. In assuming management of the meat department at the market he expressed a desire to give his customers the best of quality meats as well as the best of service.

Increased Supply Of Water Vital Says Halstead

Twelve thousand gallons of reclaimed water a minute will just about balance this valley's irrigation shortages of the past three years, John H. Halstead, hydraulic equipment manufacturer, of San Jose, told the Los Gatos Lions Club Wednesday. He was introduced by Andy Andrews.

"And that's the potential supply assured farmers with the passage of San Jose's sewer treatment plant bonds," he pointed out—"as soon as methods are worked out for maximum use of the treated water."

"But that would just hold the line for present and immediate needs," Halstead added. "Other supplies are imperative if we are to keep pace with our growing needs."

Halstead, who is candidate for 29th District Assemblyman said the valley's southern representative in Sacramento should be one who is equipped by training, insight, experience and interest, to work for the most practical and economical plans to meet the valley's water needs.

"We are already negotiating with San Francisco," he revealed, "to obtain the Calaveras reservoir water which San Francisco no longer needs. All the water in this 35,000 acre-foot reservoir comes from the northeastern water sheds of this county. It can be brought back here by gravity via canal through Niles Canyon. The reservoir's capacity is double that of all our conservation reservoirs now in the valley and would provide 1 1/2 times the amount of the valley's water deficiency this year."

Halstead discussed as "longer term plans" the proposals to bring in Delta-Mendota canal and Folsom Dam supplies, the 45,000 acre-foot San Lorenzo River run-off in Santa Cruz county, and the sup-

plies that would be available under the Reber Plan.

Informed and earnest valley leadership in the legislature, he said, would assist in procuring needed water supplies for the valley. Halstead's father was a pioneer well driller of the valley, and he cited his hydraulic engineering training and experience as advantages in his assembly candidacy.

Walsh To Speak On State History

Year Report Heard

A buffet luncheon highlighted the final meeting of the year for the Los Gatos-Saratoga branch, American Association of University Women Saturday at Montalvo.

Long buffet tables laden with food furnished by Los Gatos members were arranged on the screen porch at Montalvo. After serving themselves, the members sat at small tables placed on the veranda or in the dining room. Each table was centered with clusters of red camellias. Many children were present and thoroughly enjoyed the picnic.

Following the luncheon, members adjourned to the amphitheater where Mrs. MacSwain Jones conducted the final meeting of her two-year term as president of the local AAUW.

Year's reports of the following committees were presented by the chairmen: education, Mrs. B. B. Payne; international relations, Mrs. Arthur Pennell.

WHY Should We Vote For

MARTIN S. WALSH

CLARA BALDWIN

To the Voters:

One overwhelming reason why we should all vote for Martin Walsh, as Justice of the Peace. Mr. Walsh is a trained lawyer, and why should we, in this fast-growing town of Campbell, put anyone else in office to administer the law.

When we are building a new home, would we employ a school teacher to do it for us? Would we employ a plumber to teach in our schools?

Our town is fast gaining a big population, with its increasing problems of law, therefore we must have a man whose business is law to meet these problems.

Why should a good citizen pass judgment if he is untrained in the law, any more than you or I?

Think this over!

Notice is hereby given that the Board of Trustees of the Campbell Union Elementary School District will receive sealed bids or proposals up to 8 o'clock p.m. of the 8th day of June, 1950 for furnishing to said District one school bus.

Said bids to be in strict accordance with the following specifications: namely for the purchase of one school bus, coach type, 235" wheel base—seating 92 elementary students. Undership mounted engine equipped as follows: 184 H.P., 504 cubic inch displacement motor, seven (one spare) 1100 x 20 tires and tubes on Budd wheels—luggage compartment in rear—heavy duty Kysor front mounted heater and hot air defroster combination. All bids must meet the requirements of the California State Board of Education, relating to construction and design and to meet all 1950 regulations.

All bids shall be in sealed envelopes clearly marked "Bids For School Bus" and filed with the District Superintendent of said District on or before 8 o'clock p.m. of the 8th day of June, 1950, at which time they will be pub-

licly opened, read and considered at the Administration Building of said District—111 North Third Street, Campbell, California.

The Board reserves the right to reject any or all bids and to waive any irregularity in the matter of any bids. The Board shall be the sole judge of the suitability and fitness of the equipment offered by any bidder and taking all elements into consideration may award the contract to other than the lowest bidder.

An alternate bid is to be submitted to include a 1933 fifty-four passenger Studebaker bus as part payment.

County Charter Pros and Cons

NEW FREEHOLDER COMMITTEE

"This charter issue concerns every resident of Santa Clara County and it is entirely misleading to say that the New Freeholders Committee is answerable to the county employees," a spokesman for the group said yesterday following a campaign meeting in the San Jose Civic Auditorium.

The New Freeholders voted unanimously to support a charter which will protect the people's right to vote, and also took issue with published statements that they represent the county employees.

A joint statement issued following the meeting declared that the proposed charter is "contrary to the best interests of the people of this county in that it opens the door to dictatorship and the political spoils system."

It continues: "The people of this County are being misled into abandoning their rights in order to give a county manager unreasonable and unnecessary powers."

"If the proposed charter becomes law, the county manager will appoint the present elective officers of Sheriff, County Clerk, County Auditor, Coroner, County Engineer, Tax Collector, Treasurer, Recorder, Director of Welfare, Director of Planning, Director of Public Health and several others."

"Article VI, which strips the people of their right to vote, and Article VIII, which makes a farce out of civil service, are the two jokers in the present defective charter. The new Freeholders, if elected, will draft a charter which will serve all the purposes of good government and at the same time keep the control in the hands of the people."

The New Freeholders candidates are J. M. Atkinson, former Mountain View Justice of the Peace; L. Louis Gairaud, San Jose realtor; Timothy J. Sullivan, dairyman; Mrs. Maxine E. Smiley, Willow Glen homemaker and civic leader; Earl J. Mathews, Railroad Brotherhood; Daniel T. McDonald, Plumbing Union official; Frank L. Callisch, San Jose manufacturer; Justice of the Peace Kenneth R. Malovos of Mountain View; Mrs. Madeline M. Payne, Los Gatos homemaker; Dr. Charles A. Fernish, San Jose physician; George R. Keith, Los Altos retired educator; Vance M. Brown, Palo Alto contractor; Robert I. Welch, San Jose oil dealer; Jack Brown, San Jose hardwareman, and Peter J. Mancuso, Assistant District Attorney.

ORIGINAL FREEHOLDER GROUP

When Santa Clara County voters go to the polls June 6 in the primary election, they will be asked to vote for 15 County Freeholders, whose duty it will be to prepare a county charter for submission at the general election in November.

This will be the second freeholder election in Santa Clara County inside two years.

A board of 15 Freeholders, sponsored by the Citizens' Charter Movement (a non-partisan, county-wide organization for better government) was elected two years ago. The charter prepared by the original board of Freeholders was approved by a substantial majority of the voters in the 1948 general election.

Immediately after the voters had signified their approval, the opposition group threw the charter into litigation on a technicality. Superior Judge J. L. Attridge of Santa Cruz County was assigned to hear the case, and declared the charter void because of a pre-election publication error.

An appeal from that decision is still pending, hampered by the delaying tactics of charter opponents, and the final decision may not be made for months.

"In view of all the factors in the situation, the re-election of the original Board of Freeholders appears to be the quickest and surest way to get a charter into operation in Santa Clara County."

ORIGINAL BOARD
Members of the original Board of Freeholders who will be Freeholder candidates again in the June 6 election are: Cecil L. Carlyle, Gilroy dairyman; Mrs. Margaret B. Connor, Palo Alto housewife and clubwoman; Raymond J. Fisher, Los Gatos educator; Paul T. Gallagher, San Jose attorney; Dr. Joseph P. Josephson, San Jose physician; Dr. Bertha S. Mason, San Jose physician; Harry G. Mitchell, eastern foothill orchardist; Peter J. Pasetta, Santa Clara contractor; A. J. Price, Los Altos realtor; Aaron Richards, San Jose business executive; Carl L. Ryser, Almaden fruit dehydrator and warehouseman; E. B. Scott, San Jose union official; Allan M. Standish, Milpitas rancher; William M. Whidden, Morgan Hill retired utility official; and Fred A. Wickett, Palo Alto retired insurance executive and chairman of the Freeholder board.

Only exception to the original list is Dr. Josephson, replacing Charles S. Gubser, Gilroy farmer

and businessman, who now is a candidate for 29th District Assemblyman.

"Writing a charter designed to serve the best interests of the entire county, rather than the special interests of any group, proved a long and onerous task," he continued.

"The original freeholders studied charters from all over the United States together with Santa Clara County Grand Jury reports for the last 30 years. The original freeholders travelled from all over the county to meet three times a week for three months—and it must be remembered that freeholders serve without pay, as a civic duty."

However, as soon as it was announced that the original Freeholders would run for re-election June 6, and would re-submit the charter to the electorate in November, the charter opponents organized their own slate of candidates.

This slate is sponsored by a group who call themselves the New Freeholders' Committee. Peter J. Mancuso, organizer of the New Freeholders Committee and also a candidate for freeholder, is president of the Santa Clara County Employees Association.

"Two Blind Mice"

An elderly negro actor to fill a small part in "Two Blind Mice," next play to be produced by Los Gatos Adult Evening School Theater Workshop, is being sought by Director Lillian Fontaine. Also needed for the Samuel Spewack play is a negro church choir to sing offstage.

Besides these two needs, there is the usual shortage of men to fill the male roles in the play which is to be produced some time in August.

Casting and rehearsal sessions for the workshop are held at Los Gatos High School Monday evenings at 7:30 o'clock in the auditorium. Anyone with a desire to act is urged to be on hand Monday night. Further information may be obtained by phoning Mrs. Fontaine at Saratoga 3456.

*Replaces Charles S. Gubser, who is a candidate for Assemblyman

Let's end machine politics in Santa Clara County. Let's bring our County government back to the people... the citizens and taxpayers who have to support it. Let's take it away from the "selfish interests" who fear progress... economy, and improvement in government.

Let's make our County Government responsive to the needs of the people and let's make our County government directly responsible to the people through a "direct-line" business-like County Charter.

Let's elect the original Board of 15 FREEHOLDERS who drew the Charter YOU voters approved two years ago. Let those EXPERIENCED Freeholders review the Charter in terms of present day needs. Let them re-state the provisions which need clarifying. Let them submit that CHARTER to you... the voters... for YOUR APPROVAL in November.

Let's be SAFE not SORRY. Let's put the responsibility of re-drafting a modern, "Home rule" County Charter in capable, representative, impartial hands. Let's re-elect all 15 of the original Board of FREEHOLDERS... and BE SURE.

POPULAR RECORDS: It has been interesting to note the number of old standard tunes that have been dressed up with new lyrics and offered to the "pop" trade.

Two old Italian folk-tunes, O Solo Mio and Mattinata, became very popular under the titles of YOU'RE BREAKIN' GMY HEART and THERE'S NO TOMORROW and now three more "oldies" are aimed at the "hit parade."

Percy Faith's orchestra turns out a great rendition of the standard VALENCIA (Columbia 387-56). Smart musical backdrop with singing strings and wonderful reeds frame the vocal chorus.

Two grand band numbers rearranged for the popular market are Frankie Laine's version of THE STARS & STRIPES FOREVER (Mercury 5421) and the Andrews Sisters singing WALK WITH A WIGGLE (Decca 24991). The latter melody comes from the U.S. Coast Guard theme song "Semper Paratus." Maybe I'm old fashioned, but I don't think the vocals have improved either of these, after all nothing gives me quite the thrill of a big brass band.

Frank Sinatra's new disc AMERICAN BEAUTY ROSE (Columbia 38809) is a clever girl tune that moves along with an enticing swing. This is one of the best recordings Sinatra has made in a

long time. Arthur Godfrey's monotone warbling weaves a tender story in the new tune called SCATTERED TOYS (Columbia 38785). The man admittedly can't sing but he has that certain something that makes his songs strike a familiar chord in all our lives.

BIRMINGHAM BOUNCE (Decca 46234) looks like another big one for Red Foley. His recording of the CHATTANOOGIE SHOE SHINE BOY has already sold over a million copies. Tune has a mellow lilt, clever lyrics and a wonderful tempo. For the fastest, bounciest version of this number, listen to Jack Shook (Coral 64044).

CHILDREN'S RECORDS: TIGER A "Bring 'em Back Alive" story starring Frank Buck (Columbia MJV-63) is exciting fare for the youngsters. Story and sound effects are excellent and there is educational value as well as entertainment. One of the better recent children's releases.

CLASSICAL RECORDS: Styles may change with the times, our tastes will change with experience, but the essential qualities of music are as unchangeable as those of life itself. What music means to another is not of first importance to your listening pleasure. All that really matters is that the music is sincere, expressive and beautiful for the beginning and end of all appreciation is personal experience. The vast storehouse of recorded music contains selections to fit your every mood and to satisfy your every emotion.

The SCHUMANN: ANDANTE & VARIATION opus 46, B Flat Major (Vox 6050) I found strangely satisfying. The performance by Appleton & Field, duo-pianists, Ralph Oxman and Bebe Sarser, cellists and John Barrows on the French horn is excellent. The Andante and Variations has long been a favorite in its two piano version but is seldom heard in the original form for two pianos, two 'cellos and French horn. Schumann's music comes from the very depths of his individuality and expresses not only what he feels but what

he thinks about his feelings. It is very personal music and as you listen his dreams become your dreams, his music your music.

The ballet music of Delibes has never lost its charm. The lovely dances from Coppelia and Sylvia, full of poetic content and musical interest, are still a delight both for the ballet and concert use. A new Long-Playing record (Victor LM 1032) offers Excerpts from the ballets COPPELIA-SYLVIA played by the Indianapolis Symphony Orchestra with Fabien Sevitsky conducting. Sevitsky brings out all the piquant beauty and gay orchestral coloring of the scores. What could fit the mood of these first spring days any better than the youthful freshness of Delibes fairytale music?

People everywhere love the music of Edward Greig for its fragile beauty, intimate charm and warm human emotion. Greig knew what every true musician knows, that music's first duty is the expression of human emotion. In the PEER GYNT SUITES No. 1 and 2 he leads us through the gamut of life, love and death. The London Philharmonic Orchestra with Basil Cameron conductor offer both Suites on one Long-playing record (London LLP 153).

ELECT---

JOHN H. HALSTEAD

YOUR ASSEMBLYMAN (29th District)

JACK HALSTEAD HAS MADE A SUCCESS OF HIS BUSINESS IN THIS VALLEY. WE, HIS FRIENDS, KNOW WHY.

It's because he's **DEPENDABLE**. Because he listens to everyone's problems, then helps to **SOLVE** them. It's because he's **FAIR**, he keeps his word with those who work for him and with those he serves.

These same qualities make **JACK HALSTEAD** an ideal man to represent the southern half of this valley in the Legislature.

WE, HIS FRIENDS, MUST TELL YOU THIS. JACK HALSTEAD IS SUCH AN EARNEST MAN THAT HE'D RATHER TALK ABOUT YOUR PROBLEMS AND WHAT HE WANTS TO DO TO SOLVE THEM, THAN TO TELL YOU ABOUT HIMSELF.

WATER IS OUR BASIC PROBLEM IN THIS VALLEY

It's natural for Jack Halstead to talk about water, study water, and want to work out the solution as your representative in Sacramento.

The water problem has been very close to him during the 37 years he has lived and worked here. He grew up with the problem. His father was one of the pioneer well drillers here. His engineering education was directed toward study of hydraulics. In the same field he made his business success in this community.

USE HIS BACKGROUND — HIS EARNESTNESS — HIS INTEGRITY.
